Internship Details

Adaptive Adventures offers a variety of internship opportunities throughout the year. All internships are based out of our Colorado and Illinois offices. Adaptive Adventures internship program provides a robust learning experience while maintaining flexibility for each student's needs. Adaptive Adventures works to assess and tailor the experience to meet each student's goals and aspirations. Recreation and CTRS internships are available under the direct supervision of a CTRS supervisor. Internships are available for all Spring, Summer and Fall terms.

If you are interested in applying for an internship with Adaptive Adventures, please review the [Internship Description](#), then fill out the [Internship Application](#) and email it along with your resume and cover letter to:

Illinois:

greg@adaptiveadventures.org

Colorado:

gwen.burkett@adaptiveadventures.org

Once candidates are selected, Adaptive Adventures will work with Universities in establishing an affiliation agreement.

The state of Colorado requires all interns to be covered by worker's compensation insurance. Please contact your school's risk management office for documentation regarding worker's compensation coverage.
